| <p align="center"><b>Jude</b><br/> <i>(Adults)(Young adults/College)</i></p> <p align="center"><b>Kevin Chen</b></p> | <p>The Book of Jude is an important book for us today because it is written for the end times, for the end of the church age. The church age began at the Day of Pentecost. Jude is the only book given entirely to the great apostasy. Jude writes that evil works are the evidence of apostasy. He admonishes us to contend for the faith, for there are tares among the wheat. False prophets are in the church and the saints are in danger. Jude is a small but important book worthy of study, written for the Christian of today.</p> | <p>Reynolds building<br/> Room #3</p> |
